CERTIFICATION OF PRIMARY SOURCE DATA FOR THE PHYSICIAN ASSISTANT BOARD'S WEBSITE

The Physician Assistant Board (Board) contracts with the Department of Consumer Affairs (DCA) to provide its website and actual operation thereof. The website is the property of DCA and, while system security is ultimately DCA's responsibility, DCA agrees to not edit or alter information, in any way, provided by the Board. The information that the Board provides to DCA is a true and accurate reflection of our licensing records derived from primary source documents. Accordingly, DCA's website reflects our primary source information. Information is updated by DCA each evening, except Sunday, and the information is current as of the date indicated on the site.

It is our intent to provide accurate physician assistant license information and to allow users the ability to verify licenses; however, your organization is responsible for any decision it may make based on information obtained from the Board's website
